Installation Guide

Option 1: Professional Printing

1. Download the full file

- » Use the ready-to-print document provided.

2. Send the file to a supplier

- » Forward the file to a printer or signage supplier.
- » Specify that it is to be printed on matte-finish adhesive vinyl, sized for stair risers, to avoid glare.

3. Clean the surface

- » Wipe the stair risers with a soft cloth and oil-free cleaner.
- » Allow the surface to dry completely before applying.

4. Apply the stickers

- » Center each quote on the riser, then smooth from the center outward to avoid air bubbles.
- » Press firmly with a rigid card.

5. Let it set

- » Wait 24 hours before allowing heavy foot traffic on the stairs.

Option 2 (coming soon) : Home Printing

1. Print the file

- » Download the “cut-out” version and print it on matte letter-size paper using a home printer.

2. Cut out the quotes

- » Use scissors or a craft knife to carefully cut out each strip.

3. Clean the surface

- » Wipe the stair risers with a soft cloth and an oil-free cleaner.
- » Allow the surface to dry completely before applying.

4. Attach the quotes

- » Apply double-sided tape or a glue stick to the back.
- » Center each quote and smooth gently to avoid wrinkles.

5. Maintain your stickers

- » Wipe with a dry cloth only.

Reprint anytime — the files can be reused as often as you like!
